

Praxis Care QUALITY POLICY

Printed copies are for reference only. Please refer to electronic copy for most recent information.

Quality Aims

Praxis Care passionately cares about everyday living, and aims to empower all those who use its services to enjoy everyday living. This is reflected in Praxis Care's Vision and Mission statements.

Praxis Care believes that all its activity should be carried out in line with the organisation's values.

Quality Policy

Praxis Care aims to achieve its vision and mission by providing quality care and support that will enable all its service users to achieve their desired outcomes.

Quality Management System

The organisation demonstrates its commitment to providing a quality service by implementing a quality management system that complies with BS EN ISO 9001:2015. Praxis Care is also committed to ensuring it complies with all relevant regulatory and statutory requirements.

Praxis Care's quality management system is communicated through its policies, procedures, and organisational structure, and is maintained through the organisation's electronic document management system.

Quality Objectives

The organisation's quality objectives are outlined in Praxis Care's Business Plan, with detailed objectives identified in the Operational Plan for each service.

Continual Improvement

The organisation's focus on the continuous improvement of its quality management system means that it strives for the highest standards, with current best practice guiding everyday service delivery.
